The new standard.

While other cloud-based tablet solutions hinder your sales with expensive equipment costs and complicated pricing models, PayAnywhere's free 10" tablet, stand with built-in card reader, and enterprise app have started a payments revolution that will change the payments landscape forever.

Free tablet

Swipe in style with a free 10" tablet for dynamic, touch-based transactions and a seamless checkout experience.

Free stand

Sleek and sturdy stand with built-in credit card reader rotates and angles for quick transactions and easy signatures.
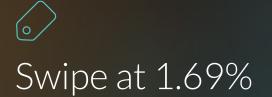

Free app

Learn from every transaction with detailed in-app reporting, and get versatile features such as custom inventories, multiple users, and digital or printed receipts.

Simple pricing.

Accept Visa, MasterCard, American Express, Discover and PayPal at one low rate per swipe.

Swipe at 1.69%

Just 1.69% per swipe and $12.95 per month with no setup costs.

Get Paid Fast

Next day funding means you get paid within one business day of processed sales.
